

You

(Music & lyrics by Francesco Bongiovanni)

You, you are looking so good tonight
make me feel I'm doing right
I'm on top of the world with you

You, have the eyes of them all on you
take a step and they'll follow you
to the end of the world

I had everything a man could want till I met you
you're fascinating and you know it too
I'll cover you with roses till the whole world knows
you stole my heart and I love you

Some place else

(Music & lyrics by Francesco Bongiovanni)

Time to pack my bags I'm going some place else
where the jazz is cool and women are so hot
somewhere between New York and bright blue moon
I'll find my true love and my destiny
if it isn't there it's some place else

Leaving all my worries behind with my debts
a few broken hearts who won't get my new number
Somewhere between New York and bright blue moon
I'll find my true love and my destiny
if it isn't there it's some place else

Fly me to the moon

(Music & lyrics by Bart Howard)

Fly me to the moon let me play among the stars
let me see what spring is like on Jupiter and Mars
in other words hold my hand
in other words baby kiss me

Fill my heart with song, let me sing forever more
you are all I long for, all I worship and adore
in other words please be true
in other words I love you

“YOU”

Lyrics from the album

Closer

(Music & lyrics by Francesco Bongiovanni)

Closer, the music wants us to be closer
two lonely souls that saw each other
for the first time tonight and fell in love

Closer, the music wants us to be closer
two lonely souls that saw each other
for the first time tonight and now are feeling blue

It seems we can't resist this melody
the magic of song
the band is playing just for you and me
we're dancing closer and closer

Don't step on me

(Music & lyrics by Francesco Bongiovanni)

I may be nice
I may be swell, I may be good
but don't you for a moment think that you can step on me

You turned me down
you crashed my car, you burned my house
but don't you for a moment think that you can step on me

So many girls are after me
'cause I'm a millionaire
and then their mothers love me too
'cause I live in Bel Air

Last night in Manhattan

(Music & lyrics by Francesco Bongiovanni)

There were times when we loved each other all night
there were times when we laughed into the morning
but the best times we had together
were those nights we held each other
watching city lights playing on the wall

Reading in your eyes the story of us lovers
we were living then one day at a time
unaware that tonight was like no other
'cause for you and I the story was over
it was meant to be
our last night in Manhattan

Everytime I look into your eyes

(Music & lyrics by Francesco Bongiovanni)

Everytime I look into your eyes
something in there says I'm not the only one
it may be the sparkle or the smile
something in the way you move or talk to me

But it doesn't matter 'cause I love you so
when you're in my arms it all just falls in place ,but...

On Broadway

(Music & lyrics by Barry Mann, Cynthia Weil, Jerry Leiber, Mike Stoller)

They say the neon lights are bright on Broadway
they say there's always magic in the air
but when you're walking down that street
and you ain't had enough to eat
the glitter dubs and you're nowhere

They say the women treat you fine on Broadway
but looking at them just gives me the blues
'cause how you're gonna make some time
when all you got is one thin dime
and one thin dime won't even shine your shoes

They say that I won't last too long on Broadway
I'll catch a Greyhound bus for home they say

but they're dead wrong I know they are
'cause I can play this here guitar
and I won't quite till I'm a star on Broadway

Soul daddy

(Music & lyrics by Francesco Bongiovanni)

I'm a soul daddy, I don't need to prove it
I'm a soul daddy, yeah
I ain't gonna hide it

I'm in a blue state of mind
you know what I want
all I need is some lovin'
'cause I don't want to loose
this feeling I got inside

Yeah, I'm a soul daddy

Take a ride with me baby
you don't need to worry
'cause I'm a soul daddy
gonna make you happy

I'm in a blue state of mind
you know what I want
all I need is some lovin'
'cause I don't want to loose
this feeling I got inside

Yeah, I'm a soul daddy

Take a look at me sugar
I ain't just a cool cat
I'm a soul daddy, yeah
baby don't forget it

I'm in a blue state of mind
you know what I want
all I need is some lovin'
'cause I don't want to loose
this feeling I got inside

Yeah, I'm a soul daddy
